

Education Configurator

Complete ecosystem
to empower modern
learning environments

Building the Ideal Educational Technology Setup

Individual learning

Tools supporting online lessons, self-paced study, and remote engagement

Small Group Learning

Interactive solutions for kindergartens & small collaborative spaces

Whole Classroom Learning

Scalable setups for medium/large rooms and auditoriums

Common Areas

Digital signage & information systems for lobbies, hallways, and shared spaces

Individual Learning

Purpose

- Enable focused, flexible study from home

Outcomes

- Better engagement in virtual lessons, simple device setup, secure access

Suitable for

- Live online classes
- Pre-recorded modules learning
- Homework and revision

Bundle options

Windows Hello Camera Mozaik Student

GOOD

A simple setup for online learning. The Full HD camera ensures clear visuals and a built-in privacy shutter for secure use. Paired with Mozaik Student, learners get instant access to interactive content and digital textbooks.

13MP UHD Camera Mozaik Student

BETTER

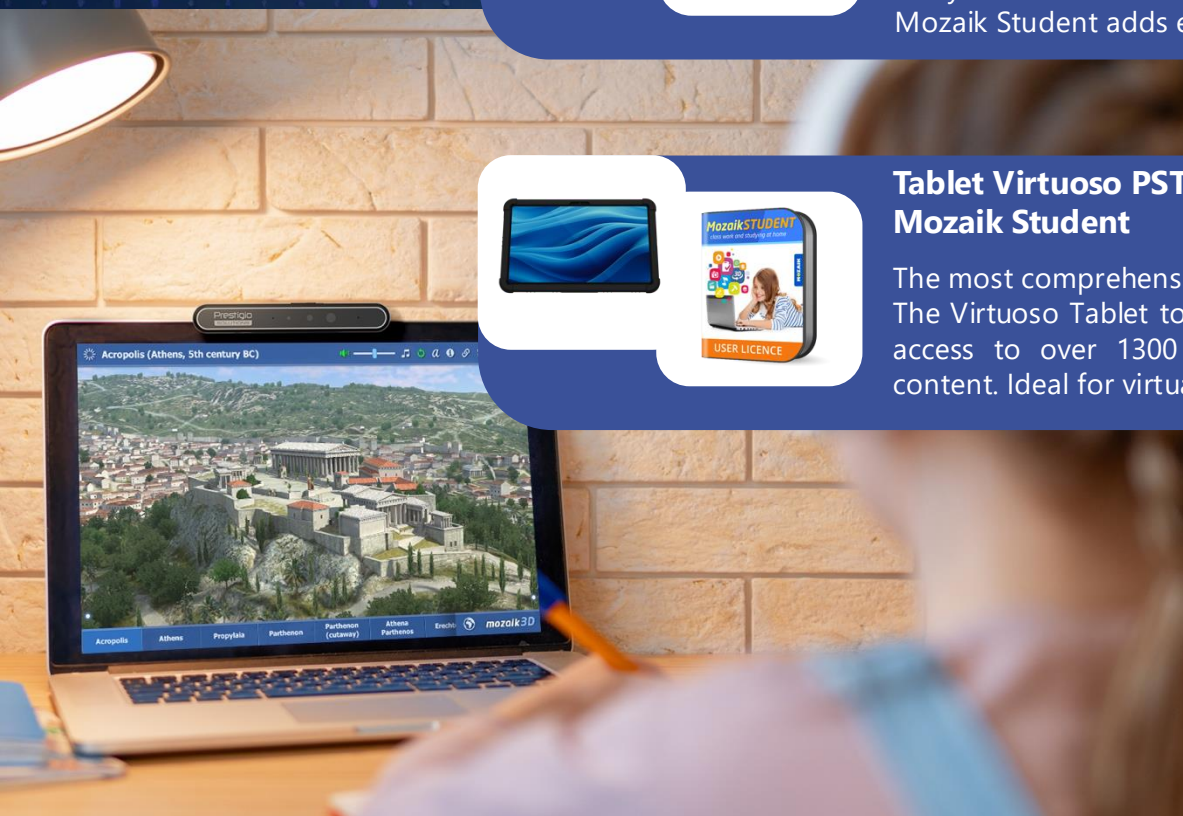

Designed for students who need higher-quality visuals. The 13MP UHD camera provides sharper, more detailed video in online or hybrid lessons. Autofocus always keeps the image clear. Mozaik Student adds engaging digital lessons and interactive resources.

Tablet Virtuoso PSTA101 Mozaik Student

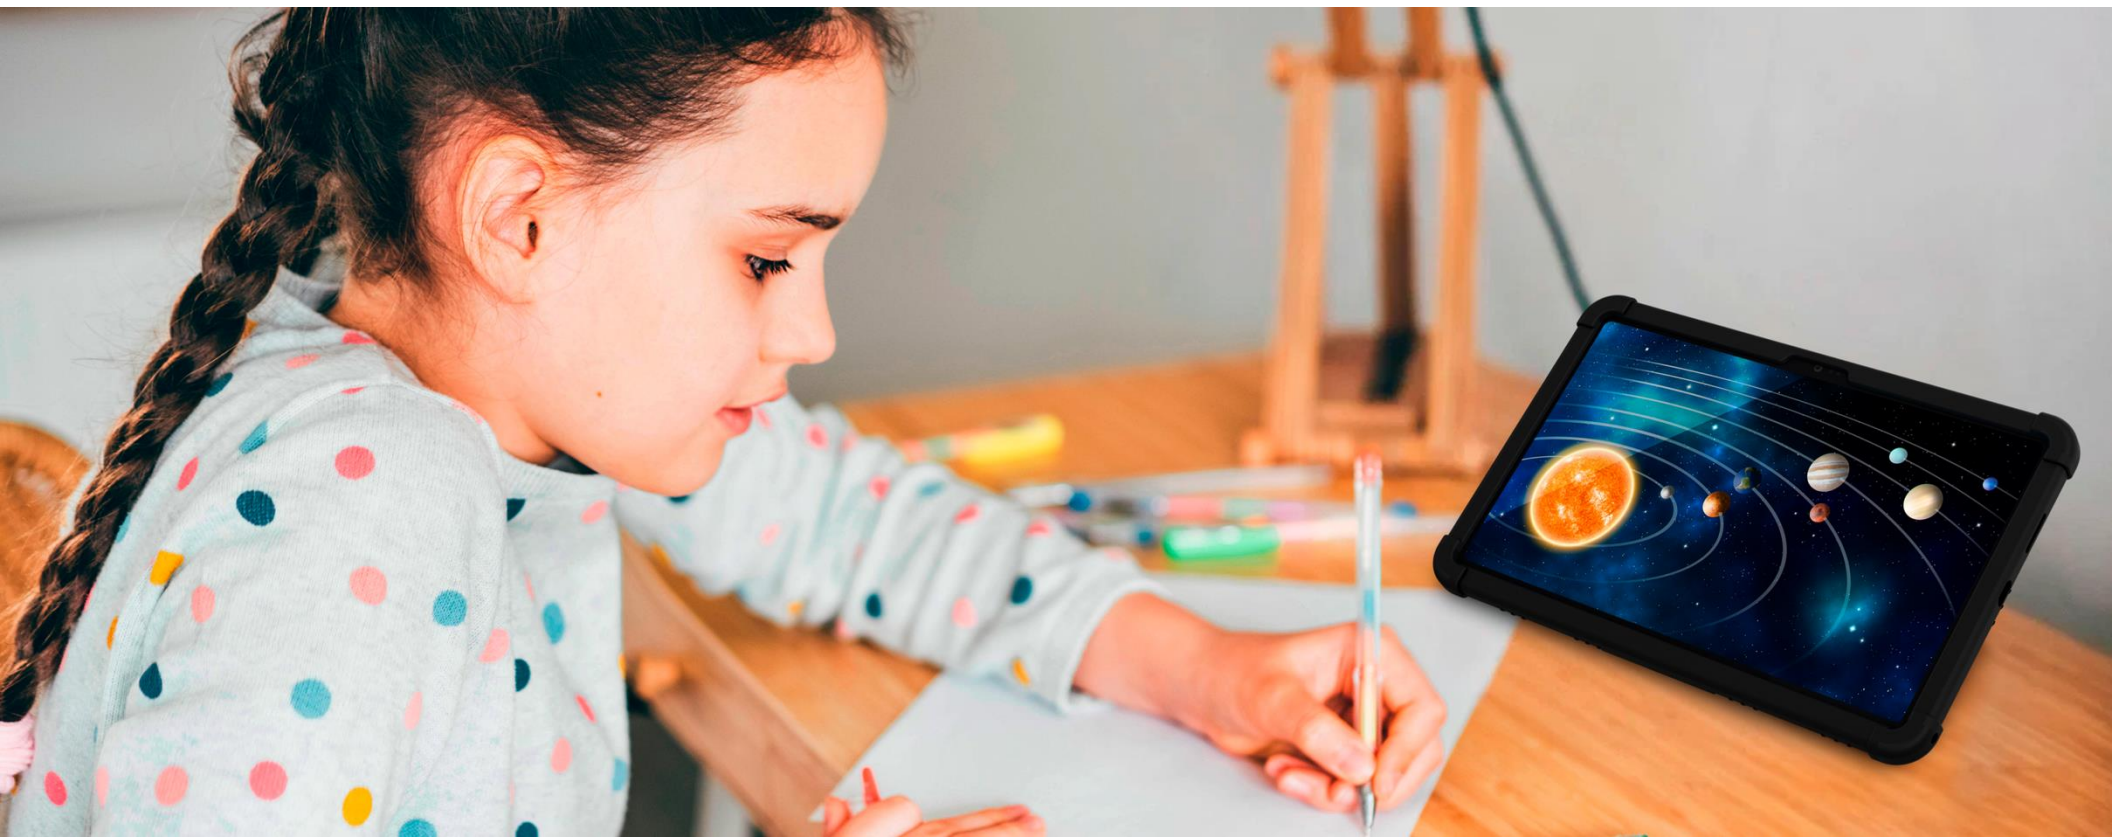

BEST

The most comprehensive option for independent learning. The Virtuoso Tablet together with Mozaik Student software offer mobile access to over 1300 3D scenes, educational videos, and interactive content. Ideal for virtual labs, e-books, and collaborative projects.

Product offer

Category	Name	SKU	Key features	Comments
Camera	Windows Hello Camera	PVCCF2M202	Full HD, privacy shutter	Simple, secure
Camera	13MP UHD Camera	PVCCU13M201	High-res with autofocus	Better image quality
PC Tablet	Virtuoso PSTA101	PSTA101_6128GB_4G_C	10.36" Android tablet with case	Mobile learning
Software	Mozaik Student	WP-1Y	Interactive content access	Home & mobile

Small Groups Learning

Purpose

- Collaboration in kindergartens and small classrooms

Outcomes

- Shared touch experiences, safe & movable installs, quick setup

Suitable for

- Groups of 4–12 students
- Project corners
- Breakout zones

Bundle options

65"

Multiboard Light+ Series Gen 2 Onkron Fixed Wall Mount, 43" - 85" screens Mozaik Teacher

GOOD

A stable interactive setup for everyday teaching. The Multiboard delivers essential tools and smooth 4K touch, while the fixed mount ensures safe installation. Mozaik Teacher provides ready-to-use interactive lessons and 3D content for engaging learning.

65"

Multiboard Light+ Series Gen 2 Onkron Mobile TV Stand, 50" - 100" screens Mozaik Teacher

BETTER

A flexible solution for shared or multi-use classrooms. The mobile stand enables easy repositioning and height adjustment. With Mozaik Teacher, educators can run dynamic, interactive lessons enhanced by rich visual resources.

75"

Multiboard Light+ Series Gen 2 Onkron Mobile TV stand, 60" - 120" screens Mozaik Teacher

BEST

The most adaptable setup for active learning environments. This premium stand ensures smooth mobility and stable support for large displays. With Mozaik Teacher, educators gain advanced tools for interactive lessons, collaborative content, and subject-specific exercises.

Additional options

Onkron Mobile TV Stand with bracket, 40" – 80" screens

A mobile stand with adjustable height, smooth mobility, and a durable aluminum frame — ideal for flexible classroom layouts.

PC for Multiboard

A powerful add-on PC that boosts performance and expands functionality. Built-in 3G/4G ensures seamless Internet sharing, and preinstalled apps support educational workflows.

Tablet Virtuoso PSTA101

The tablet enables flexible learning with a 10.36-inch display, 4G connectivity, long battery life, and smooth performance for educational apps.

mClass & Mozaik Student

Software for an interactive teaching and classroom management. **mClass** provides the ultimate wireless classroom management, while **Mozaik Student** provides access to interactive content and digital textbooks.

mozaBook – leading worldwide education software

IFPD – modern display to interact with students

Fixed Wall Mount, 43" - 85" screens – slim fixed mount

PC for Multiboard – turn interactive panel into full Windows device

Tablet Virtuoso PSTA101 – for individual learning

mClass & Mozaik Student – additional software

Whole Classroom Learning

Purpose

- Deliver engaging instruction at scale with seamless device casting

Outcomes

- Improved visibility, classroom management, and lesson flow

Suitable for

- Medium/large classrooms
- Lecture halls
- Higher education institutions

Medium classrooms, bundle options

75"
Multiboard Light+ Series Gen 2
Onkron Fixed Wall Mount, 55" - 100" screens
Mozaik Teacher

GOOD

A stable fixed setup for traditional classrooms. The Multiboard offers bright 4K touch performance and built-in teaching tools, while the fixed mount ensures safe, permanent installation. Mozaik Teacher adds ready-made interactive lessons and 3D content for engaging instruction.

75"
Multiboard Light+ Series Gen 2
Onkron Mobile TV Stand, 50" - 100" screens
Mozaik Teacher

BETTER

A flexible setup ideal for shared or multi-purpose classrooms. The mobile stand enables easy repositioning and height adjustment. Mozaik Teacher supports dynamic lessons with interactive visuals and customizable content.

86"
Multiboard Light+ Series Gen 2
Onkron Mobile TV stand, 60" - 120" screens
PC for Multiboard
Mozaik Classroom

BEST

A premium, high-performance setup for active learning environments. The larger Multiboard provides expansive workspace and powerful hardware. The mobile stand ensures stable mobility. The PC supports demanding applications, while Mozaik Classroom enables collaborative, multi-user 3D and digital lesson experiences.

Additional options

Edbak Universal Fixed Wall Mount, 50"-86" screens

A slim, minimalist mount that keeps large displays close to the wall for a clean, unobtrusive installation.

Solutions for Common Areas

Purpose

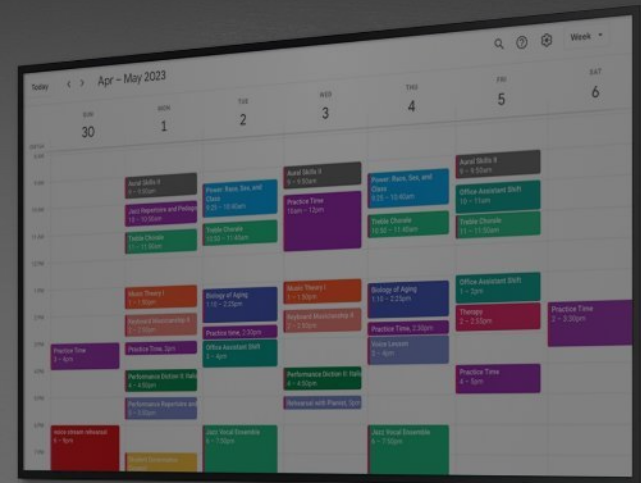

- Inform and guide students and staff across venue (schools & universities)

Outcomes

- Schedules, announcements, wayfinding, emergency messaging

Suitable for

- Lobbies, hallways, canteens, library entrances

Common areas

43"

Indoor Digital Signage 4K Android Tilted Totem (PSTI43A1S1)

Use the totem for information display, wayfinding, and more. It enhances engagement and provides an interactive learning experience for students. Fits seamlessly into libraries or common areas.

55"

Indoor Digital Signage 4K Android Vertical Totem (PSTI55A1S0)

In educational buildings, vertical totems are strategically placed outside classrooms to display class schedules or room numbers. These totems serve as essential wayfinding tools, guiding students, staff, and visitors to their intended destinations within the campus.

Mini PC (PSMPC100_8256W)

Turn your display into a smart and interactive digital signage screen with Digital Media Player based on Windows 11 Pro.

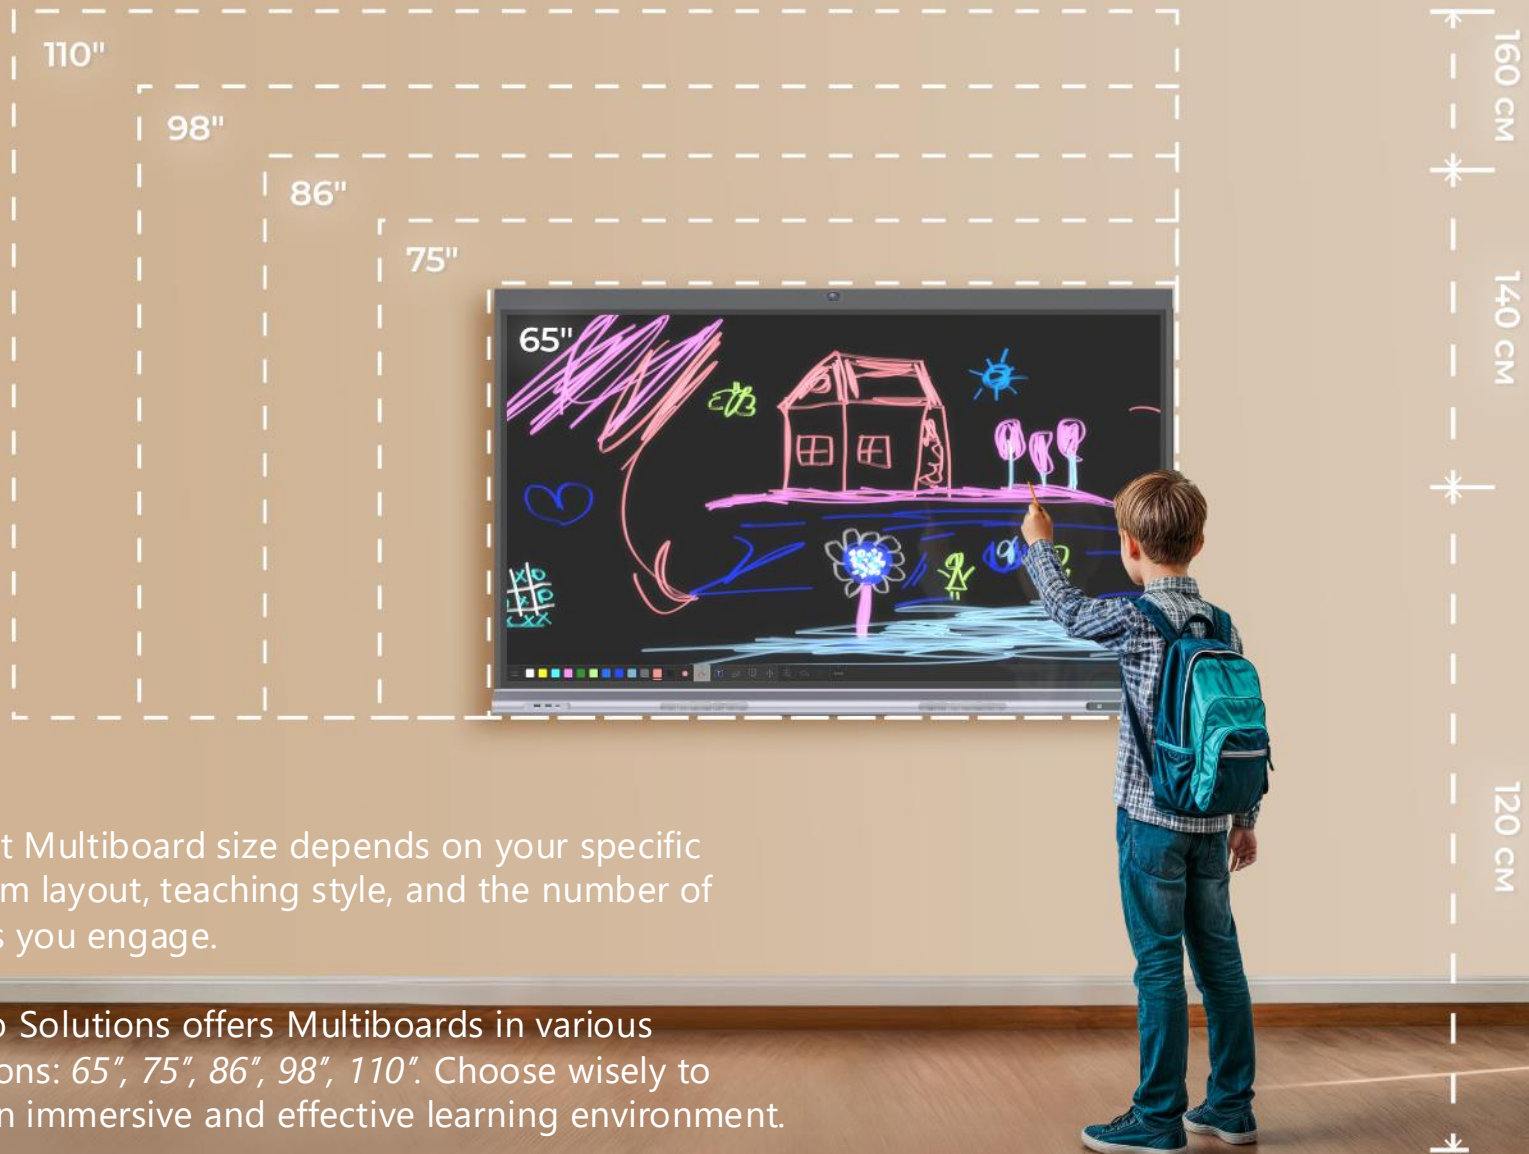

Displ (DF_PUCL_LSM_M12_4)

Displ software empowers you with seamless remote control from any device, simplifying the management of networks at any scale.

Prestigio Solutions Multiboards | Size Comparison

The right Multiboard size depends on your specific classroom layout, teaching style, and the number of students you engage.

Prestigio Solutions offers Multiboards in various dimensions: 65", 75", 86", 98", 110". Choose wisely to create an immersive and effective learning environment.
